This Light Touch Regime Framework is being let under Regulations 74 to 77 of the Public Contract Regulations 2015 (Light Touch Regime), under which the Council has flexibility as to the process or procedure to be used when purchasing certain services of which Fostering Services is one. In this instance, the Council is establishing a framework agreement with multiple suppliers that will set out the terms and conditions for making specific purchases (call –offs). The framework agreement differs from those let under the non-light touch regime in that the Council, exercising its flexibility, may periodically open the framework for new applicants. Individual Contracts awarded under this framework may have a maximum total duration of 18 years. (to ensure a child placed at any age can continue until adulthood). This procurement will be managed electronically via the Council's e-procurement system. To participate in this procurement, applicants must first be registered on the system at <https://in-tendhost.co.uk/norfolkcc>. Full instructions for registration and use of the system can be found at <https://in-tendhost.co.uk/norfolkcc/asp/BuyerProfiles>. Once registered you will be able to see the procurement project under the `tenders` section and `express an interest`. If you encounter any difficulties whilst using the system you can contact the In-tend support team by phoning +44 8442728810 or e-mailing support@in-tend.co.uk.
