- Contract award/mobilisation - March/April 2024
- Contract commencement - August 2024

The purpose of this Prior Information Notice (PIN) and Request for Information (RFI) is to invite potential providers to express an interest and provide information to assist with the procurement and development of the University's Computer Aided Facilities Management (CAFM).

The procurement route, duration and type of contract(s) shall be determined following this preliminary market consultation and engagement with market participants.

It is important to note that this PIN/RFI is not a call for competition, a pre-qualification questionnaire, part of any pre-qualification/selection process or a current tender opportunity. Potential providers will need to express an interest in any future tender opportunity once a Contract Notice is published.
