II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

ENGLAND

II.2.4) Description of the procurement

We know that organisations are more likely to be inclusive if their leaders have a clear vision for SEND provision and outcomes for learners. We want to identify organisations that have leaders who:

- place learners with SEND at the heart of strategic planning
- include SEND strategic objectives in their corporate plan and support this with an effective development plan for staff.
- lead by example to promote an inclusive culture and ethos that actively welcomes and engages learners with SEND, parents, carers and families of learners with SEND, and other relevant stakeholders
- understand and monitor how learners with SEND achieve their goals and aspirations

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement. Call-off contracts, or direct award where necessary, will be awarded for any projects that arise throughout the term of the Framework, whereby suppliers on the applicable Lot will be notified of the value of each project.

II.2) Description

II.2.1) Title

Inclusion is everyone's job and supporting the mental health and wellbeing of staff and learners

Lot No

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

ENGLAND

II.2.4) Description of the procurement

We wish to increase knowledge, skills and expertise of inclusive practice across the FE sector, and to raise the status of the SEND professionals so that ultimately this essential part of the workforce has parity of esteem with other curriculum areas. Inclusion should be at front and centre of every organisation and not side lined to a SEND team. We want to see a sector where there are more specialists in learning difference to provide a resource to draw on for all staff, so everyone can support all learners to achieve their aspirations.

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement. Call-off contracts, or direct award where necessary, will be awarded for any projects that arise throughout the term of the Framework, whereby suppliers on the applicable Lot will be notified of the value of each project.

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

ENGLAND

II.2.4) Description of the procurement

We are looking for organisations who have high aspirations for their learners with SEND resulting in learners being represented on all learning programmes across the organisation including apprenticeships and T Levels. Wherever possible, we want our learners to be on programmes which lead to meaningful employment and/or independent living and we want to make this the norm across the FE system. We wish to highlight the importance of inclusive curriculum planning and development – a curriculum with clear ‘intent’ which leads to the ‘impact’ the learner aspires to.

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement. Call-off contracts, or direct award where necessary, will be awarded for any projects that arise throughout the term of the Framework, whereby suppliers on the applicable Lot will be notified of the value of each project.

II.2.4) Description of the procurement

We are looking for organisations who have developed strong relationships, including taking co-creation approaches with the following:

- Parents and carers
- Local, regional and national employers
- Universities
- Voluntary and community organisations

We would like to showcase how to develop and maximise these relationships and to deliver joint activities where parents, carers, employers, universities and voluntary organisations are advocating for these joint approaches.

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement. Call-off contracts, or direct award where necessary, will be awarded for any projects that arise throughout the term of the Framework, whereby suppliers on the applicable Lot will be notified of the value of each project.

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

ENGLAND

II.2.4) Description of the procurement

Both the SEND Reforms 2014 and the recent SEND Green Paper highlights the importance of organisations working together across the SEND system to support learners with SEND to achieve their aspirations.

We are looking for organisations who have a track record in bringing different partners from within the SEND system together to better serve our learners. This may include, (but is not limited to) initiating, facilitating and delivering partnerships between:

- Mainstream and specialist FE providers
- School, FE and HE providers
- Local authority, health and social care providers

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement. Call-off contracts, or direct award where necessary, will be awarded for any projects that arise throughout the term of the Framework, whereby suppliers on the applicable Lot will be notified of the value of each project.

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

ENGLAND

II.2.4) Description of the procurement

The SEND system is complex and has a range of data which has the potential for us to understand where it is and isn't working. Data includes statistics and information on:

- Learner attainment, destination, exclusions and characteristics
- Numbers of Education, Health and Care Plans
- Local SEND forums and their effectiveness

We wish to identify organisations who have an understanding of the data and can work with us to interrogate and identify where there is potential to use it to understand and improve the experience of learners with SEND.

II.2.14) Additional information

This Framework is to create a list of quality suppliers. There is no financial value attached to the initial Framework Agreement.
