II.1.4) Short description

The Satellite Applications Catapult is seeking a suitable apprenticeship provider to support its learning and development agenda. We are looking to make the most of our apprenticeship levy, to work with a provider who can support us to develop our current staff and in time recruit new talent into the business. These apprentices could have further education in place already or individuals whose values match and our own and they have a desire to work for a purposeful organisation and make a difference.

Through the apprenticeship scheme programme, new and existing talent will be able to shape and grow the future of the Space Industry in the UK. Working with a highly skilled and enthusiastic professionals, the apprentice will be able to gain exposure in various departments, conduct impactful work and gain experience in an ever-evolving Space industry.

We wish to fully utilise our Apprenticeship levy by offering programmes such as:

- General Project Management
- Engineering
- Digital Advance and Marketing
- Other general apprenticeships
