LHC is seeking expressions of interest from Kitchen manufacturers to bid for the replacement of our current and popular Kitchen and Associated Products Framework.

Please note this will be a supply and deliver only framework.

LHC have intended to structure two lots, it should be noted however that this may be refined following our pre-tender engagement and therefore may not represent the lot structure in the final tender issued.

- Lot 1 - General Housing (would include a range of specifications including adaptive / inclusive ranges)
- Lot 2 - Commercial Kitchens

As this will be a national framework, within each Lot there will be multiple geographical areas that bidders can apply for.

Due to the current COVID 19 restrictions, we aim to carry out further engagement webinars with interested parties via Zoom / Teams. We will be holding a webinar on 13th January 2022, this will be a chance for any new parties to participate. We also be holding one to one session
