www.sse.com

# I.6) Main activity

Electricity

# **Section II: Object**

# II.1) Scope of the procurement

#### II.1.1) Title

Dynamic Line Rating of Transmission Circuits Request for Information

#### II.1.2) Main CPV code

• 72262000 - Software development services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

SSEN are charged with the responsibility to connect multiple geographically dispersed renewable generation sites to the transmission network in order to meet the UK stated goal of a transition to net zero carbon emissions. To meet these objectives SSEN require flexible and agile solutions to facilitate these connections in a cost effective and timely fashion. In response to these challenges, SSEN are exploring the nature and scope of opportunities that may be realised by the implementation of a Dynamic Line Rating (DLR) system.

In the context of this information WE request the following requirements will be met.

#### 2.1 Device requirements

- 2.1.1 The monitoring device should be self-powered either by harvesting power via line current or standalone local power source such as solar. If a standalone local power source is used it shall provide
- 2.3.4 Must have a front end user interface that can be accessed to display monitoring data and calculated ratings. This system must also provide an option to export historical monitoring data

#### II.1.6) Information about lots

This contract is divided into lots: No

## II.2) Description

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

Main site or place of performance

uk

# II.2.4) Description of the procurement

installation to a live operational DLR system on two circuits

## II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

## II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

Yes

Description of renewals

Undecided at this stage

## II.2.10) Information about variants

Variants will be accepted: Yes

## II.2.11) Information about options

Options: No

# Section IV. Procedure

# **IV.1) Description**

## IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

# IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

# IV.2) Administrative information

## IV.2.2) Time limit for receipt of tenders or requests to participate

Date

5 January 2022

Local time

5:00pm

# IV.2.4) Languages in which tenders or requests to participate may be submitted

English

# **Section VI. Complementary information**

# VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body
