Tender

TEN-2526-005 Macroeconomic and Markets Database Provider

Nest Corporation

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-030876

Procurement identifier (OCID): ocds-h6vhtk-05451f ([view related notices](#))

Published 9 June 2025, 11:29am

Scope

Description

Nest requires a centralised data provider that would provide easy access to an extensive universe of relevant data (both from public sources as well as some third party providers), as well as an efficient way of analysing and visualising data using built-in charting tools, and the updating and sharing of charts within and outside our team. Data providers will also have sharing capabilities allowing Nest to export data e.g. into Python to run more sophisticated econometrics analysis.

Total value (estimated)

- £300,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 29 September 2025 to 28 September 2027
- Possible extension to 28 September 2030
- 5 years

Description of possible extension:

Total of 3 years in period of 1 year each.

Options

The right to additional purchases while the contract is valid.

Purchase additional licences.
