Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Market Engagement - Highways Maintenance and Improvement Contracts

II.1.2) Main CPV code

- 45233000 - Construction, foundation and surface works for highways, roads

II.1.3) Type of contract

Works

II.1.4) Short description

Southend-on-Sea City Council ("the Authority") will be undertaking the procurement of a delivery partner(s) to maintain, manage and improve its highway network and associated assets. The new arrangements will commence in August 2025 when the current arrangements cease.

The Authority wishes to engage with potential providers to understand the market and to help refine the model prior to the formal start of the procurement process. The Authority is inviting potential providers to complete a questionnaire and/or to attend a meeting with the Authority to discuss the requirements.

Organisations who would like to attend a market engagement meeting or to complete a questionnaire can express their interest by email to antonbull@southend.gov.uk

Expressions of interest must be received by 12.00 noon on Thursday 9th November 2023 and meetings will take place between 20th and 30th November 2023.

II.1.6) Information about lots

This contract is divided into lots: Yes

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

The number of lots may change at the discretion of the Authority either in response to feedback received through the market engagement sessions or through further analysis by the Authority that determines a different number of lots may lead to better value for

money.

The lots envisaged are:

- 1) General highways maintenance, planned machine resurfacing, street lighting/electrical works, highways improvements (new works)
- 2) Traffic signal maintenance and provision of new equipment
- 3) Coastal defences repairs and improvements
- 4) Highway structural maintenance
