Scope

Description

The Authority is seeking a comprehensive solution provider that can source, install, maintain, and provide a cleaning service on advertised bus shelters in the Vale of Glamorgan with the rights to sell and install advertising on the bus shelters for the duration of the contract. In return, the council will expect the chosen supplier to provide a Fixed Fee and Revenue Share payment per advertising bus shelter. The service provider will be required to: a) Supply, install, maintain, and clean the bus shelters. This will be a Concession Contract through which the successful Tenderer generates income to fund these services from selling advertising space on the bus shelters. b) Retain ownership of the bus shelters during the Contract term. c) Generate revenue for the Council. d) Actively sell advertising on the paper and digital sites, offering a percentage of advertising space, to be available to the Council for free, to promote in-house campaigns (we would expect advertising for 2 weeks on 20% of the bus shelters in the vale. The location of the advertising would be agreed by both parties) e) Manage all agreements with advertisers, including collecting payment, and pay the Council an agreed income from the advertising sales revenue at an agreed frequency. The Concessionaire will: f) Carry out all invoice and payment collection. g) Adhere to the Advertising Standards Authority (ASA) Code of Practice. h) Adhere to the Vale of Glamorgan Council's Advertising Policy, including the draft HFSS regulations (high in fat, sugar and salt) policy. i) Be responsible for the

enacting and monitoring of the draft HFSS policy requirements j) Offer an open book approach to the reporting of income generated from advertising sold, and the Revenue Share to the Council. k) Provide regular reports, agreed post tender, including the information along with any other relevant/value adding information.
