Engagement process description

-

This PME aims to assess the market's interest in the Dimming and Trimming of Streetlighting contract to provide Street Lighting control and Management Solutions within the London Borough of Lambeth, explore commercial perspectives, potential challenges and collaboration. There will be an opportunity to discuss key requirements, including the scope and potential constraints.

-

The route to market for the award of this contract is open procedure. The intention is to publish the invitation to tender in July-August 2025.

-

By engaging with suppliers, Lambeth Council seeks to ensure that any potential procurement strategy is well-informed, commercially viable and aligned with industry best practices. Additionally, this process will help to identify potential risks and challenges, environmental opportunities, and social value contributions, ensuring the successful and efficient delivery of any potential contract.

-

Please note that participation in this PME or registration of interest will not give any advantage in the procurement exercise but is purely an opportunity to potentially shape the requirements and the planned approach to market. Your responses will help to inform the procurement although we cannot guarantee that all views expressed will be considered.

-

The Council at its sole discretion may limit the number of suppliers selected to take part in the PME. Suppliers that are not selected will receive copy of the notes taken as part of the PME.
