C/REF 00001036

Description

Historic England is seeking an experienced Commercial Consultant to help us develop an effective Income Generation Strategy. The consultant will embed a commercial approach into the development and delivery of business cases for income generation activities, including where appropriate Treasury Green Book business cases. We need expert advice to ensure a sound commercial approach is built into our income generation activities across a range of markets, from charging for advice to developing our estate, to maximise returns.
