I.4) Type of the contracting authority

Other type

University

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

FAAM Aerosol Lidar

Reference number

2023-2046-FAL-HR-CJ-PC

II.1.2) Main CPV code

- 38430000 - Detection and analysis apparatus

II.1.3) Type of contract

Supplies

II.1.4) Short description

1.3 The University wishes to appoint a contractor or Contractors as the UK's FAAM Bae146 atmospheric research aircraft is undergoing a comprehensive upgrade programme. Part of this includes the replacement of the existing aerosol lidar system on-board the aircraft that will enable national and international research groups to detect aerosol in the atmosphere. The University of Manchester has been allocated funding from the FAAM Mid-Life Upgrade (MLU) programme to complete this project. The appointed supplier would need to engage with the FAAM facility to integrate the aerosol lidar system; the equipment will be located on the FAAM Bae146 aircraft.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 38400000 - Instruments for checking physical characteristics

II.2.3) Place of performance

NUTS codes

- UKD3 - Greater Manchester

II.2.4) Description of the procurement

1.3 The University wishes to appoint a contractor or Contractors as the UK's FAAM Bae146 atmospheric research aircraft is undergoing a comprehensive upgrade programme. Part of this includes the replacement of the existing aerosol lidar system on-board the aircraft that will enable national and international research groups to detect aerosol in the atmosphere. The University of Manchester has been allocated funding from the FAAM Mid-Life Upgrade (MLU) programme to complete this project. The appointed supplier would need to engage with the FAAM facility to integrate the aerosol lidar system; the equipment will be located on the FAAM Bae146 aircraft.

The University of Manchester no longer meets the criteria of a 'body governed by public law' and is therefore not considered a contracting authority for the purposes of the Public Contracts Regulations 2015 and/or any replacement legislation. As a result, the University of Manchester will no longer be subject to the regime contained in The Public Contracts Regulations 2015 and/or any replacement legislation with effect from 1 August 2023. However, as an institution founded for the public good, an exempt charity and an organization in receipt of public funds, the University has a duty to manage expenditure in an appropriate manner and aims to deliver value for money across its non-pay spend by adhering to good procurement practice.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

3

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

The University of Manchester no longer meets the criteria of a 'body governed by public law' and is therefore not considered a contracting authority for the purposes of the Public Contracts Regulations 2015 and/or any replacement legislation. As a result, the University of Manchester will no longer be subject to the regime contained in The Public Contracts Regulations 2015 and/or any replacement legislation with effect from 1 August 2023. However, as an institution founded for the public good, an exempt charity and an organization in receipt of public funds, the University has a duty to manage expenditure in an appropriate manner and aims to deliver value for money across its non-pay spend by adhering to good procurement practice.
