## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

Parksafe Systems are an exclusive supplier and operator of the security systems in place at both car parks. Bold Lane car park currently enjoys a reputation for being one of the safest car parks in the world. Re-tendering for a new supplier would mean the security measures in place could be compromised and any new supplier would likely lead to a significant revenue investment requirement from the Council as new infrastructure would be needed.
