Services

#### **II.1.4) Short description**

Efficiency East Midlands Ltd (EEM) is a not for profit consortium which establishes and manages a range of framework and DPS agreements. Our membership has now grown to 320 public sector organisations including housing associations and ALMO's, Local Authorities, NHS trusts, Education Providers, Blue Light Services, Government Agencies and Charities. EEM have also established a formal collaboration with 3 like-minded procurement consortia- Westworks, South East Consortium and Advantage South West. The membership list for these three consortia may be obtained from the following website

addresses:(<https://www.westworks.org.uk>)

(<https://www.southeastconsortium.org.uk>)

(<https://www.advantagesouthwest.co.uk>)

EEM are conducting this tender exercise to procure a Water Treatment Management Services (Domestic & Commercial) Framework to replace our existing Framework which will expire in March 2024. The Framework will provide EEM Members with a provision for their Water Treatment Services covering both Domestic & Commercial but not limited to carrying out Water Risk Assessments, Water Monitoring and all types of Remedial works to help members deliver safe water supply. The Framework agreement will be for a period of 48 months, running from Monday 18th March 2024 to 17th March 2028. It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical sublots, (Midlands & National) of the Framework, ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework requires EEM to cover the UK under the following sub lots

#### Water Treatment Services

##### Sublot 1 Midlands

##### Sublot 2 National Coverage

Ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. For further information please visit <https://www.delta-esourcing.com/> and complete the standard questionnaire via access code N5866YR7NB and to view the tender documents via Tenderbox access code XW8P63ZN28, It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical Sub-lots of the Framework. Contracting Authorities can use a Direct Selection or Mini Competition to appoint a Contractor and only the Contractor who sit on the relevant geographical sublots, the Contracting Authority is looking to use can participate in the selection process. further details and guidance on the lot Structure for this Framework can be located within Part A of the tender documentation.
