EEM are conducting this tender exercise to procure a Water Treatment Management Services (Domestic & Commercial) Framework to replace our existing Framework which will expires in March 2024. The Framework will provide EEM Members with a provision for their Water Treatment Services covering both Domestic & Commercial but not limited to carrying out Water Risk Assessments, Water Monitoring and all types of Remedial works

to help members deliver safe water supply. The Framework agreement will be for a period of 48 months, running from Monday 18th March 2024 to 17th March 2028. It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical sublots, (Midlands & National) of the Framework, ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework requires EEM to cover the UK under the following sub lots

Water Treatment Services

Sublot 1 Midlands

Sublot 2 National Coverage

Ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. For further information please visit <https://www.delta-esourcing.com/> and complete the standard questionnaire via access code N5866YR7NB and to view the tender documents via Tenderbox access code XW8P63ZN28, It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical Sub-lots of the Framework. Contracting Authorities can use a Direct Selection or Mini Competition to appoint a Contractor and only the Contractor who sit on the relevant geographical sublots, the Contracting Authority is looking to use can participate in the selection process.
