## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title

EN:Procure - Framework for Construction Consultancy Services (GEN4)

#### II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

EN:PROCURE LIMITED ("ENP") is a social housing regeneration consortium based in the North of England. ENP specialises in the procurement of goods, works and services for the construction and maintenance of social housing properties but may extend to other property types that are owned or managed by our Members.

ENP wishes to procure and enter into a framework agreement to provide a broad range of professional consultant services to support our Members with various consultancy and specialist services principally for construction related services for social housing, public sector and commercial buildings, and specialist areas such renewable energy services.

Call offs under the framework may be undertaken on a on a single stage or multi-stage call-off basis, with provisions for early consultant involvement.

The Consultant(s) will be expected to provide the services on a collaborative way to a high standard and are expected to share ENP's commitment to regeneration, specifically the creation of training, work placement, educational activity, direct and shared apprenticeship, and new employment opportunities. Over the term of the framework ENP will expect Consultant(s) to develop their own ESG strategies as appropriate to bring wider benefits to ENP and its Members.

#### II.1.5) Estimated total value

Value excluding VAT: £103,000,000

#### II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 19

Land Development Advisor Services

Lot No

17

#### **II.2.2) Additional CPV code(s)**

- 70000000 - Real estate services
- 71000000 - Architectural, construction, engineering and inspection services
- 79000000 - Business services: law, marketing, consulting, recruitment, printing and security

#### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

#### **II.2.4) Description of the procurement**

This Lot will be providing a full range of Land Development Advisor Service(s) across the UK.

Land advisers will assist in generating capital and maximising the value of land for the benefit of the public and charitable sector and/or developing surplus land assets with the aim of delivering social infrastructure or other public policy objectives.

This lot will be available for use by or on behalf of public and charitable sector organisations who will identify land assets with the aim of generating capital and maximising the value of land for the benefit of the public and charitable sector and/or

developing these assets for social infrastructure or other public policy objectives.

It is envisaged that the Land Advisers will work with Members providing the following services:

- appraisal of development opportunities to determine commercial viability and deliverability; including undertaking RIBA Stage 1 initial viability checks, strategic options analyses, planning assessments, due diligence and surveys to establish feasibility of the project,
- preparation of a detailed client brief financial modelling to assess initial viability,
- preparation of the planning development brief and initial liaison with the planning authority,
- local stakeholder mapping,
- early-stage soft market testing,
- initial surveys to understand key site risks,
- preparation of a technical feasibility report including planning issues and an indicative master plan,
- this lot will also allow clients to secure support from a land adviser at any point during the lifecycle of a scheme for strategic and technical advice on the development of surplus assets,
- in addition, land advisers may also be retained by the client to provide services during and post the construction phase including acting as the client's agent and ensuring that the project is built out in accordance with the agreed specification, programme and outcomes.

Call offs under the framework may be undertaken on a on a single stage or multi-stage call-off basis, with provisions for early consultant involvement.

The consultants will be expected to provide the services on a collaborative way to a high standard and are expected to share ENP's commitment to regeneration, specifically the creation of training, work placement, educational activity, direct and shared apprenticeship, and new employment opportunities. Over the term of the framework ENP will expect consultant to develop their own ESG strategies as appropriate to bring wider benefits to ENP and its Members.
