Section VI. Complementary information

VI.3) Additional information

This framework agreement is available for use by all Contracting Authorities throughout all administrative regions of the UK (as defined by the Public Contracts Regulations 2015) including but not limited to Government Departments and their Agencies, Non-Departmental Public Bodies, Central Government, NHS Bodies, Local Authorities, Emergency Services, Coastguard Emergency Services, Educational Establishments, Registered Social Landlords and Registered Charities who have a need to purchase the above services. Definable groups were detailed fully in the original contract notice and in the procurement documents.

VI.4) Procedures for review

VI.4.1) Review body

The High Court

Royal Court of Justice, The Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.2) Body responsible for mediation procedures

N/A

N/A

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Council incorporated 10 calendar day (when using electronic means) standstill period at the point information on the award of the framework agreement was communicated to tenderers. This period allowed unsuccessful tenderers to challenge the decision to award the framework agreement before it was executed/signed. The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time limits as defined in the above regulations. Where an agreement has not been entered into the court may order the setting aside of the award decision or order the Council to amend any document and may award damages. If the framework agreement has been entered into the court has the options to award damages and/or to shorten or order the framework agreement ineffective.

VI.4.4) Service from which information about the review procedure may be obtained
