NHS Midlands and Lancashire Commissioning Support Unit (MLCSU) is working on behalf of NHS Cheshire & Merseyside Integrated Care Board (ICB) who are looking to undertake a Competitive Process for the provision of a Adult Autism Post-Diagnosis Support Service (AAPDSS) covering Halton and Warrington Places.

Where an adult is on the waiting list for an autism assessment and the autism assessment provider has been identified as needing support whilst waiting (and will struggle without support during the wait time) they may be referred to this service by the assessment provider.

The service will be accessed through referral only. Referrals will mainly be initiated by the adult autism assessment provider or via self-referral (or carer/family referring on behalf of individual as appropriate). Referrals can additionally be made by other service providers who work with adults with Autism Spectrum Conditions (ASC).

The current service is due to end on Friday 31st January 2025. It is the intention of the ICB to start commissioning a new contract from Monday 3rd February 2025 for 3 years, with an option to extend for a further 2 years.

Any bid must not exceed the maximum financial envelope of £60,000 per annum per place (Halton Place - £60,000 and Warrington Place - £60,000). Any bid that exceeds this criterion will be viewed as Non-Compliant and will take no further part in the procurement

exercise.

The total financial envelope is £120,000 per annum for both places (£600,000 for 3 years with an option to extend for 2 years), excl. VAT).

The ITT will be live on Friday 27th September 2024

on the Atamis Portal. The deadline for submission

will be Monday 28th October 2024 12:00pm mid day.

The Commissioner reserves the right to reject bids
