NHS Wales Shared Services Partnership on behalf on Hywel dda University Local Health Board wish to inform the market that they have awarded a contract toto progress with works at Glangwili Emergency Department and Amman Valley Hospital

At Glangwili the works will enable the conversion of an existing play area into treatment space for 3 patients. The works being undertaken here will assist in ensuring that patient flows can be maintained as the UHB heads into the winter months and enable the UHB to progress it's restart and recovery process.

The works in Amman Valley Hospital will create 3 additional consultation rooms for the Ophthalmology Team. This will assist the UHB to progress its Planned Cared Recovery for the Ophthalmology services. The additional rooms will assist in the drive to reduce the current referral to treatment waiting times for Ophthalmology patients.

The Hywel Dda University Health Board (HDdUHB) has received additional capital funding from Welsh Government in 2021/22 to deliver scheme to enable Restart and Recovery following COVID-19

The bid was developed using cost survey information and identifying the priority to deal with COVID-19 issues across all areas of the Estate.

This programme of prioritisation of works has been agreed by the HDdUHB as appropriate investment.
