Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Bidders are invited to detail below any appropriate Community Benefits offered in accordance with this contract.

A Community Benefit is a contractual requirement imposed by the Authority relating to training, recruitment or availability of sub-contracting opportunities, which is intended to

improve the economic, social or environmental wellbeing of the Authority's area in a way that is additional to the main purpose of the contract in which the requirement is included.

Potential Providers are encouraged to offer a contribution towards Community Benefits, which will be provided as part of the contract. Therefore, please describe the Community Benefits that your organisation commits to deliver.

Opportunities for community benefits may include:

- i) Generating employment and training opportunities for priority groups;
- ii) Vocational training, work experience and modern apprenticeships;
- iii) Up-skilling existing workforce;
- iv) Equality and diversity initiatives;
- v) Sub-contracting opportunities available to SME's, the third sector and supported businesses and/or in the local area;
- vi) Supply-chain developmental activity;
- vii) Building capacity in community organisations;
- viii) Education support initiatives;
- ix) Working with schools, colleges, universities to offer work experience or educational/professional advice;
- x) Community engagement events or providing value to the local community;
- xi) Minimising negative environmental impacts, for example impacts associated with vehicle movements and/or associated emissions and impacts on protected species, areas, buildings or sites.

This question is designed to ascertain which Community Benefits the Potential Provider is committed to provide if awarded the contract. Please note that responses to this question shall be monitored under the Potential Providers performance indicators.
