Families First is designed to improve outcomes for children, young people and families. It places an emphasis on early intervention, prevention, and providing support for whole

families, rather than individuals. Families First is one grant within the Children and Communities Grant along with others such as Flying Start, Supporting People and Communities First. The contract is aimed at three distinct areas – Parenting (1), Young People (2) and Disability (3). Therefore the tender is structured into three lots covering each area respectively. Bidders may bid for any number of lots.

TUPE Information is contained in the tender documentation

These contracts are for an initial period of 12 months with the option to extend for two further years renewable annually until 31st March 2025 (subject to review of performance, local needs and available funding). The Parenting consortium enhances the wider parenting and family support offer in Flintshire. Building on and working closely with Flying Start and the Early Years 0-7 Pathfinder, the Parenting consortium meets demand for early intervention and targeted

parenting/family support services for families. Close work with Flying Start is crucial to plan appropriate and tailored support for families, coordinated by a single practitioner or volunteer. For instance, this is especially important in facilitating smooth transitions for families as children move into school and families with children of different ages. Parenting is at the core of the work of Families First and this is reflected in the higher contract value of this lot.
