### **Scope**

### **Reference**

Project\_1601

### **Description**

NHS Supply Chain seeks to establish a framework agreement under which it will be entitled make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector. Only NHS Supply Chain can order from the Framework Agreement and enter into contracts under it.

The Framework Agreement will look to include the following range of products: Breast Implants (including Sizers and Expanders), Nipple Implants, Calf and Gluteal Implants, Facial Implants, Chest Implants, Testicular Implants, Penile Implants. The precise quantities of the products that will be required by NHS Supply Chain under the terms of this Framework

Agreement are unknown at the date of this notice.

It is anticipated that initial expenditure will be in the region of £432,000.00 to in the first year of this Framework Agreement, however this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement. The estimated value over the total Framework Agreement term (including any extension options) will be in the region of £2,728,000.00 excluding VAT.

- 11 suppliers have Expressed an interest, these are a mixture of incumbent suppliers (3) on the framework and potential new suppliers (8).
