VI.3) Additional information

Contract Monitoring: The Successful Contractor's performance on this Contract will be managed as per the specification and regularly monitored (see Procurement Guidance Note 01/12 – Contract Management - Procedures and Principles). Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in EA for further action. If this occurs and the Contractor's performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a Notice of Unsatisfactory Performance and this Contract may be terminated. Any contractor in receipt of a Notice of Unsatisfactory Performance will be required to declare this in future tender submissions for a period of three years from the date of issue of the Notice. It may also result in the contractor being excluded from all procurement competitions being undertaken by the EA. Education Authority Northern Ireland (EA) are committed to the promotion of social inclusion and equal opportunities, as well as the responsible use and protection of natural resources and reducing our carbon footprint as key objectives in the Sustainable Development Strategy for Northern Ireland. The Authority has included with the contract documents a Social Considerations Schedule. To help achieve the EA's objectives and address the strategic aims, it is required that the successful Contractor, as a condition of contract, deliver measurable social value outcomes as set within this Social Considerations Schedule. The Authority cannot give any commitment as to the usage, volume, or value of products required under this Contract. Any levels, or aggregate values of services referred to are indicative only and shall not be binding on the Client. The Contracting Authority has included Social Considerations Clauses within the Contract. These can be found within Schedule 4 - Social Considerations within the document FMM-21-016 Commercial Conditions of Contract. Tenderers may bid for one or more lots and each lot will be evaluated individually. Following evaluation, Tenderers will be ranked in order of the most economically advantageous for each lot (i.e. the tenderer with the highest score will be ranked first and the others in descending ranked order). Two contractors will be appointed to each Lot. During the contract orders will be placed with the first ranked Contractor. For continuity of service purposes, the Education Authority reserves the right, in the event of capacity issues, to move to the second ranked Contractor who will be approached to fulfil all or part of the client's requirements.. . A Tenderer can only win a maximum of two Lots.

An award of contract, can be made if a Tenderer is the highest Ranking tenderer for up to two Lots. However, if a Tenderer is the highest scoring tender across three Lots, then the following hierarchy will apply for awarding the contract as per the following hierarchy based on the Contracting Authority's anticipated expenditure i.e Lot 3 Locality East, and descending in order to Lot 2 Locality North and then Lot 1 Locality South West:-. . 1) Lot 3 Locality East will be awarded First. 2) Lot 2 Locality North will be awarded next. 3) Then the successful Tenderer in Lot 3 and Lot 2 will be excluded from the award of Lot 1 Southwest and the next highest-ranking Tenderer will be awarded Lot 1.. . Note: For the avoidance of doubt. The process outlined above for the allocation of Lots only applies to the number one ranked tenderer and does not apply to the tenderer ranked in second place. For example, a tenderer may be awarded onto a Lot as the second ranked tenderer in two of the Lots and may also be awarded as the number one ranked tenderer for the remaining Lot. .
