II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a procurement consortium which establishes and manages a range of frameworks and DPS agreements. <https://eem.org.uk/>

EEM is conducting this tender exercise for the renewal of our existing Materials Framework (EEM0072) that expires on 31st March 2025 and our Supply of Kitchen Units Framework (EEM0074) that expires in 2024.

Our new Framework has a planned go live of 01st April 2025 with a lead in period before.

The Framework will provide EEM Members and Users with a provision for the supply and distribution of materials which fall in to one of the following lots:

Lot 1 - Managed Solution

- Lot 1a - Managed Solution National
- Lot 1b - Managed Solution Regional Independent Supplier

Lot 2 - Trade Specific Materials

- 2a - General Building Materials including Timber, Joinery and flooring Materials
- 2b - Electrical Materials
- 2c - Plumbing, Heating and Gas (Domestic and Commercial)

Materials

- 2d - Renewable Technologies and associated Materials

- 2e - Kitchen Materials
- 2f - Aids and Adaptation Materials
- 2g - Roofing Materials

Lot 3 - Tool and Plant Equipment Hire

The Framework is being procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members', all of which are Contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

II.1.5) Estimated total value

Value excluding VAT: £661,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Suppliers who are submitting for Lot 1 are only permitted to apply for either Lot 1a Managed Solution National or Lot 1b Managed Solution Regional Independent Supplier and not both lots. Organisations who submit a bid for a place on Lot 1a Managed Solution National or Lot 1b Managed Solution Regional Independent Supplier will NOT be permitted to submit a tender for a place on Lot 2 Trade Specific Materials 2A - 2G. Suppliers who are submitting for Lot2 are permitted to apply for more than one of the trade specific sublots A-G. Suppliers will need to submit a Part D for all lots you submit for. The Framework will not restrict trade specific contracts from being awarded to a Managed Solution Supplier via Lot 1, if the Member or User decides the service provision meets their requirements better than a Supplier through Lot 2 Trade Specific Materials.

The Call Off Agreements to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of the Contract Notice may extend for a duration of up to ten years beyond expiry of the four-year term of the Framework Agreement for Lot 1 (1a and 1b) Managed Solution contracts to take account of the contractual and legal sign off, mobilisation period, operative engagement sessions and upfront investment, data, IT integration and testing .

The Call Off Agreements to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of the Contract Notice may extend for a duration of up to five years beyond expiry of the four-year term of the Framework Agreement for Lot 2 Trade Specific Material Contracts (Lots 2A - 2G) and Lot 3 Tool and Plant Equipment Hire .

Please note that the total potential framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lots structure, length of call off contracts and that the EEM membership and authorised users may grow over the framework lifetime.

Where the contract notice states a maximum of suppliers to be appointed to the Framework or lots, EEM reserves the right to appoint less than the numbers stated.

The Framework is being procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a

small number of organisations who make up our 'Company Law Members', all of which are Contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

The list of potential framework users below is not exhaustive of all organisations who can utilise EEM services, access will be granted to any publicly funded organisation.
