II.2.4) Description of the procurement

The Contracting Authority is seeking expressions of interest from suitably qualified and experienced Providers to enter into a Term Contract for the delivery of repairs and maintenance services and planned capital investment works (together the 'Term Programme') to various of its residential housing stock comprising approximately 13,800 properties of which approximately 1,050 are leasehold. The Contracting Authority intends to enter into a Term Alliance Contract, TAC-1 2016 for an initial period of five years, extendable in two further five year terms to a maximum term of fifteen years.

The Works include the following workstreams:

i)A 24/7/365 day to day responsive repairs and maintenance service including electrical installation repairs and repairs to void (empty) properties.

- ii) A 3 Star gas servicing and repairs service for domestic and communal boilers.
- iii) A programme of domestic electrical installation testing and subsequent remedial works, including Portable and Fixed Appliance Testing to dwellings and communal areas.
- iv) Planned testing and maintenance to communal and emergency lighting installations.
- v) Repairs and maintenance to domestic stair lifts and ceiling hoists for residents with reduced mobility.
- vi) Repairs and maintenance to 14 No. domestic passenger lifts.
- vii) A programme for conducting risk assessments, water testing and treatment for the prevention of Legionella.
- viii) Planned preventative maintenance, testing and repairs to various items of firefighting equipment and detection systems.
- ix) A programme of scheduled grass cutting, garden and grounds maintenance to selected sites.
- x) A programme of pre-paint repairs and cyclical decorations.
- xi) A programme of planned investment works to replace key building components that have come to the end of their useful life. The programme is expected to include among other things, new kitchens, bathrooms, heating systems and electrical wiring; roofs, windows and doors, rainwater goods, measures to reduce carbon emissions from the housing stock and improve thermal efficiency, and various fire safety remedial works

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £410,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 6

Objective criteria for choosing the limited number of candidates:

As set out in the procurement documents

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The contract will have an initial term of five (5) years, extendable at the Authority's sole discretion for a further five (5) years, and again at the discretion of both parties for a third, five (5) year term, giving a total possible term of fifteen (15) years.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information
