The Home Office uses an eSourcing toolkit to enable its sourcing activities to be conducted online. The procurement will be managed electronically using the Jaggaer eSourcing Portal.

The eSourcing Portal is an online application that allows suppliers to create and submit their responses to any requests for information, requests for quotes, or requests for proposals electronically rather than in paper form.

To participate in this procurement, participants must first be registered on the eSourcing Suite. Registration can be done online at <https://homeoffice.app.jaggaer.com/web/login.html> by following the link to Register. Please note that to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering and who will be entering into a contract if invited to do so.

Any expressions of interest not submitted in the required format (or containing the requested information) may be rejected.

The Authority requires new Participants to sign a Non-Disclosure Agreement (NDA) in order to be invited to participate in the competition for this project. On receipt of an email which must be sent to [IRCsCommercial@homeoffice.gov.uk](mailto:IRCsCommercial@homeoffice.gov.uk), the Authority will either confirm receipt of an NDA or provide access to the NDA document through the eSourcing Portal. If required, the Authority will expect Participants to download and re-attach a signed copy of the NDA to the event.

When saving the 'pdf' document, please ensure that you include the participant organisation's name in the filename. Once a correctly signed NDA is received by the Authority, Participants will be invited to the event and will be able to access all of the project documentation.
