Description

YPO are seeking to establish a Framework Agreement which will be designed to provide the supply of the following products and services; stone or pre-cast concrete flags, kerbs, edgings, posts, gravel boards, bricks and blocks.

Supply of cast iron access covers, gratings, pipes, channels and metal barriers.

Supply of bagged aggregates and cementitious products. Supply of pre-cast concrete inspection chambers, pipes and barriers.

Supply of clay and plastic channels, pipes, ducting, access chambers, geotechnical, soakaway and stormwater management solutions for carriageway, pedestrian, carparks and recreation areas.

Supply of electrical cables, electrical consumables and accessories. Supply of managed services including digitisation solutions.

The Framework is designed to meet the needs of all public sector organisations which includes YPO's internal requirements.

Engagement

Engagement deadline

10 July 2025

Engagement process description

The preliminary market engagement for these supplies and services will begin with site visits to learn about innovative managed services for potential public sector customers.

The aim of the pre-engagement is to improve on the previous frameworks, discuss any potential new products, innovation, review of the current terms and conditions, the scope and social value.

YPO has pre-prepared a document for any supplier who may be interested in this opportunity.

Should YPO wish to proceed further a formal procurement process will be followed in accordance with YPO's contract procedures and in line with the Procurement Act 2023 as relevant. Please note that any information is being sought without prejudice and without commitment.
