See Section VI: Complementary Information

Country

United Kingdom

NUTS code

- UK - United Kingdom

Justification for not providing organisation identifier

Not on any register

The contractor/concessionaire is an SME

Yes

## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

1) The contracts were extended by 6 months beyond the original expiration date of 31.03.2022 up to 30.09.2022.

2) The Council has extended the contract by a further 1 year up to 30.09.2023.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

1) The contracts were extended by 6 months beyond the original expiration date of 30.03.2022 to enable the Council time to carry out a procurement exercise for a replacement contract. This exercise resulted in insufficient number of tender returns, and these were not compliant with the Council's requirements. In addition, administering this exercise left insufficient time to consider further options for procurement and mitigate any risks which could lead to the reoccurrence of the same outcome.

2) The Council therefore has extended the contract by a further 1 year up to 30.09.2023. It is intended that this would provide sufficient time to conduct a comprehensive options

appraisal with consideration to the Council's future plan for this service and current market conditions and subsequently prepare a re-procurement exercise which maximises the potential to receive greater number of bids which address the Council's requirements.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £7,000,000

Total contract value after the modifications

Value excluding VAT: £8,880,000
