PR 2025 083

Description

A two lot, two year Framework for the provision of Court Equipment and Presentation Packages as follows:

Lot One: Court Equipment

Initial estimated value: £5m

The temporary installation of a range of audio, video, and tablet hardware to facilitate the electronic presentation of evidence in a Tribunal setting over the course of a trial.

Technician support will be required for;

- o Equipment installation and removal,

- o User training,
- o Onsite support.

This lot is fully independent of the CPS "Digital Jury Bundles" project.

Lot 2 - Presentation Packages:

Initial estimated value: £650k

The transformation of various forms of evidence (e.g. photographs, CCTV, audio files, technical drawings etc) into a digital format that is easily understandable, and can be presented in a court or tribunal setting, including but not limited to;

- o Creation of a chronological timelines to link related documents and other Source Materials
- o Forensic injury mapping - including interpretation of pathologist report
- o Closed circuit television and video enhancement
- o Audio enhancement
- o Voice distortion

Technician support will be required for

- o Supplying the relevant presentation package
- o Conducting a test of the presentation on the display equipment available
- o Operation of the package throughout the course of the hearing

It is anticipated that other Contracting Authorities will have access to this Framework.
