Scope

Description

The Parish Council is seeking tenders for the installation of a 2m wide fitness track around the perimeter of our football pitch which will be on a soil base. The total length is 330m. The preferred top material is a rubber/stone mulch to give longevity and durability. But other types of 'soft surface' will be considered. Suppliers should be aware of the track's proximity to the football pitch which is used mainly by junior players. The surface should be suitable for this location.

The Parish Council has no fixed budget in mind and the figure quoted is a guideline. The contract start date is flexible.

Total value (estimated)

- £75,000 excluding VAT
- £90,000 including VAT
