Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Access Services & Insulation (ASI)

II.1.2) Main CPV code

- 45262100 - Scaffolding work

II.1.3) Type of contract

Works

II.1.4) Short description

Award notice prematurely published in error in relation to this procurement. This will be updated to reflect the error and subsequently updated following the end of the standstill period and signing of the Terms and Conditions.

Sellafield Ltd is responsible for safely operating and decommissioning Europe's largest, most complex nuclear site, which is home to legacy nuclear facilities that are some of the most hazardous buildings in Western Europe. There is a continued need for Sellafield to have access to a specialist Industrial Services and Access Supply Chain through a Framework Agreement to replace the existing Sellafield Industrial Services Framework (SIS).
