Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Waste Network Services Lot 6 - Rodent Control Services

Reference number

FA1421

II.1.2) Main CPV code

- 90922000 - Pest-control services

II.1.3) Type of contract

Services

II.1.4) Short description

Thames Water Utilities Ltd (TWUL) is seeking to establish a contract for the delivery of Waste Network Services (Lot 6) which includes Rodent Control Services. The Rodent Control Service contract is primarily designed to assist Thames Water's customers with their rodent issues by attempting to ascertain any issues with the sewerage system. The Service Provider will use a combination of CCTV sewer inspections, baiting & other investigation techniques to the extent required to produce a full rodent investigation report to Thames Water on the findings and next steps.

II.1.5) Estimated total value

Value excluding VAT: £8,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 90400000 - Sewage services
- 90922000 - Pest-control services

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)

Main site or place of performance

The whole of the Thames Water region.

II.2.4) Description of the procurement

This lot is for the provision of specialised rodent control services within the waste network. TWUL are seeking

a supplier to collaboratively work with them to deliver rodent control services to our customers. It is essential this service delivers high quality customer outcomes throughout what is one of Thames Water's most emotive customer journeys.

Works undertaken under this lot are expected to include:

- Rodent investigation - this will consist of a variety of survey techniques as necessary to establish this extent to which Thames Water's assets are contributing to a customers rodent issues. These findings will then be presented back to the customer in the form of a detailed report
- CCTV surveys
- Redlining of unmapped sewerage systems
- Capturing relevant Thames Water asset data
- Sewer Baiting (as appropriate)

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £8,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

Any agreement awarded would be for an initial duration of 5 years, with options to extend annually up to a maximum overall term of 8 years.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

Any agreement awarded would be for an initial duration of 5 years, with options to extend annually up to a maximum overall term of 8 years.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

As detailed in section VI.3 and PQQ.

III.1.6) Deposits and guarantees required

Bonds and/or parent company guarantees of performance and financial standing may be required.

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Specified in Invitation to Negotiate Document.

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Consortia may be required to form a legal entity prior to award

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

IV.1.4) Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

24 January 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: Estimated timing for further notices to be published: Between 3 and 8 years.

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

All suppliers who wish to respond to this notice must request a pre-qualification questionnaire (PQQ) by using the web link in Section I.3 (www.thameswater.co.uk/procurement).

From your response to the link in Section I.3 or above, Thames Water's Procurement Support Centre will send you an email providing login details for our eSourcing system (i.e. IASTA Smartsource). To complete the PQQ you will need to login to IASTA Smartsource.

If the project requires it, you will receive an additional and separate survey to complete for Data Protection.

Note - The client may be Thames Water Utilities Limited or another company within the Kemble Water group structure.

VI.4) Procedures for review

VI.4.1) Review body

Thames Water

Reading

Country

United Kingdom

VI.4.2) Body responsible for mediation procedures

Thames Water Utilities Limited

Reading

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Thames Water Utilities Ltd will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Utilities Contracts Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
