II.2.4) Description of the procurement

The Royal Orthopaedic Hospital NHS Foundation Trust are looking to replace our current Picture Archiving & Communications System with a new solution, that will support the Trust operationally, financially and clinically to cover and to provide us with a potential digitally mature product to accompany our journey into a cloud based infrastructure.

This exercise is intended to provide potential bidders with the opportunity to review the Authority's Briefing Document and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

II.3) Estimated date of publication of contract notice

1 March 2022
