In light of an absence of suitable tenders in response to the restricted procedure the Contracting Authority has taken the decision to Cancel this ITT. In accordance with regulation 16(1)(a)(i) of the Defence and Security Public Contracts Regulations 2011, the Authority will instead now use the negotiated procedure without prior publication of a contract notice to negotiate, on the basis that the original terms of the proposed contract offered in the restricted procedure are not substantially altered in the negotiated procedure. A VTN advert will be issued shortly detailing this change in procedure.
