The Project Is For The Construction Of The New Build Integrated College Dungannon. The New School Is To Be Constructed On The Existing School Site Extended To Include

Additional Sports Pitches and Ancillary Accommodation. The RIBA 5 construction period is estimated at 34-38 months (inclusive of RIBA 4 Technical Design for the design and build element). An NEC4 ECC Option A Form of Contract will be used for this contract. The scope of the project will include the provision of the following: Design and build element for the provision of a new modular village and enabling works phase including: Permanent retaining structures and other external works, New temporary modular village (c.2,500m²), external and ancillary works, intended to accommodate the school staff and pupils for the duration of the new build construction (including decant phases both into and out of). This includes relocation and upgrade of a number of existing mobiles within the Site, Decommissioning, dismantling, relocation and delivery offsite of temporary modular village following completion and decant into the new build. Construction of a new post primary school including: Significant phasing works, including all works within a live educational environment, in close proximity to residential areas, Decant of the School into the temporary modular village, Phased demolition of the existing accommodation, New build (c.11,000m²), inclusive of education, school meals, learning support, circulation and social spaces, Refurbishment and extension of the existing sports hall, Provision of NIE cable alteration and new substation works, including remote switch room, External works, hardstanding, landscaping (hard and soft), infrastructure, utilities, roads and other ancillary works, Provision of new southern sports pitches including access road and a new maintenance/toilet block, associated hardstanding, landscaping (hard and soft), infrastructure, utilities, roads and other ancillary works, Provision of localised Contractor design elements.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £28,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

38

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 6

Objective criteria for choosing the limited number of candidates:

It is anticipated that the 6 Economic Operators that satisfy: the completeness and compliance checks; the criteria for the rejection of Economic Operators; the information as to economic and financial standing; and who achieve the highest scores in the technical or professional ability evaluation process may be short-listed and invited to submit tenders. . . Where there is a tie for 6th place, then all Economic Operators in 6th place will be invited to tender. For the purposes of this exercise a tie for 6th place is deemed to occur where two or more Economic Operators have identical scores or a score within 1 mark (out of a score of 100) of the 6th place score. . . In the event that the Procurement is unavoidably delayed, but not cancelled, the PQQP Submission will be assessed at the time of receipt and the Economic Operators will be notified of the outcome. . . The short-list of Economic Operators for Invitation to Tender will typically remain valid for a period of up to 12 months from the PQQP Receipt Deadline. At the CA's discretion the period of validity may be extended. . . When the Procurement is re-commenced, the Contracting Authority may seek confirmation that the shortlisted Economic Operators still meet the required minimum standards for the Procurement..

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

In order for a Contractor / Consultant to be eligible to participate in this competition they must.. hold licences, accreditation or certificates for specific categories and sectors as set out in the PQQ Documents.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The Economic Operators' performance on this Procurement will be regularly monitored. As part of its contract management procedures, the Contracting Authority will use the Protocol for Managing Poor Supplier Performance contained in Annex K of the Construction Procurement Toolkit see <https://www.finance-ni.gov.uk/sites/default/files/publications/dfp/Construction%20Toolkit.pdf> . . If an Economic Operator has received more than one current Notice of Written Warning or a Notice of Unsatisfactory Performance, the Contracting Authority, at its discretion, can consider an Economic Operator's exclusion from future procurements, being undertaken on behalf of bodies covered by the Northern Ireland Public Procurement Policy (NIPP), for a minimum period of 12 months or 3 years respectively A list of bodies subject to Northern Ireland Public Procurement Policy can be viewed at <https://www.finance-ni.gov.uk/articles/list-public-bodies-which-ni-public-procurement-policy-applies> .

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

This procurement.. is governed by the Public Contracts Regulations 2015 and provides for economic operators who. have suffered, or who risk suffering,.. loss, or damage, as a consequence of an alleged breach of the duty owed in. accordance with Regulation 91 to start proceedings in the.. High Court. A standstill period will commence at the. point information on the award of the contract is communicated to tenderers... That notification will provide. information on the award decision.. The standstill period, which will be for a minimum of 10 calendar days,.. provides time for unsuccessful tenderers to. challenge the award decision before the contract is entered into. Any proceedings relating.. to any perceived noncompliance. with the relevant law must be started within 30 days, beginning with the date when the economic... operator first knew, or ought to have known that grounds for starting the proceedings had arisen. (A court may. extend the time limit to 3.. months, where the court considers that there is a good reason for doing so).
