## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Digital Intelligence and Investigation Support Tooling RFI

Reference number

SR1074611150

#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The purpose of this RFI event is to explore the Digital Intelligence and Investigation Support Market for current and future product options to support HMRC in delivering key objectives. This event will enable organisations to provide relevant information, through the provided questionnaire, regarding any potential solution they may offer, estimated costs, and what contractual routes their solution can be accessed through.

The primary purpose of this exercise is, therefore, to gain a deeper understanding of the market, and what potential solutions are available. HMRC currently have a high-level requirement, which is included within this RFI, but we would look to develop this requirement accordingly if there are innovative solutions available.

The RFI documentation, which will provide further details of this service, can be requested by emailing [irfan.oomer@hmrc.gov.uk](mailto:irfan.oomer@hmrc.gov.uk) and [kirstie.colder@hmrc.gov.uk](mailto:kirstie.colder@hmrc.gov.uk).

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 48000000 - Software package and information systems

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

The purpose of this RFI event is to explore the Digital Intelligence and Investigation Support Market for current and future product options to support HMRC in delivering key objectives. This event will enable organisations to provide relevant information, through the provided questionnaire, regarding any potential solution they may offer, estimated costs, and what contractual routes their solution can be accessed through.

The primary purpose of this exercise is, therefore, to gain a deeper understanding of the market, and what potential solutions are available. HMRC currently have a high-level requirement, which is included within this RFI, but we would look to develop this requirement accordingly if there are innovative solutions available.
