VII.2) Other additional information

Due to an IT error blocking some submission to the Postbox, the original deadline was extended until 12pm to allow PCS to ascertain the cause of the issue. The issue has now been found and resolved within the SDP module on the website. As this caused a 1 hour delay in site access, a new deadline of 13:00 (1pm) 16/12/2021 has been set for any Tenderer's affected to submit Tenders for this procurement.
