This may require a contract variation

The procurement is being conducted in accordance with the Public Contracts Regulations 2015. The procurement is subject to the light-touch regime under Section 7 Social and Other Specific Services. Under Regulation 76 the Council is free to establish a procedure, provided that procedure is sufficient to ensure compliance with the principles of transparency and equal treatment of economic operators (service providers).

The Authority has created a tender process outlined below, as part of the Pseudo - Dynamic Purchasing System (PDPS) applying the award criteria specified in this contract notice.

A new Round will be opened within 48hrs of a Round closing. *Please note the length of Rounds will vary throughout the lifetime of the PDPS. Timetables of that Round will be included in the PDPS tender documents* when that Round is published.

It is intended that the PDPS will be opened twice in the first year (until October 2022) and once a year following that.

Further 'Rounds' will be communicated within the tender documents at time of publication. Any changes to the procurement Timetable shall be notified to all Tenderers as soon as practicable.

The Authority will add Potential Providers to the PDPS throughout its duration, providing Potential Providers meet the requirement as outlined in this ITT and submit an Application, which is found to be compliant.

A Provider wanting to join the Public Health Pharmacy PDPS will be required to apply through the Council's procurement e-tendering portal; Fusion.

There will be no guarantee of work or volume of work to be given under this PDPS
