- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

Primary Care Laboratory - South West

On behalf of NHS England's South West Digital Transformation Team, the National Commercial and Procurement Hub (NHS England) is hosting a market engagement event to test supplier interest and capabilities in the delivery of a Primary Care Laboratory.

The Primary Care Laboratory will be a highly flexible physical space(s), capable of simulating clinical and administrative areas, mirroring the general practice environment. The space will be easily reconfigurable to reflect various options for workflow and, potentially, other primary care environments (e.g. dental practices). Service infrastructure will be required to enable staff to work in the space to develop and test digital technologies and processes, to address the challenges facing the delivery of primary care. There will be opportunities for partner organisations to use the Primary Care Laboratory as a resource for health care delivery research, associated with NHS operational pressures.

We are seeking organisations capable of providing these services as a whole or organisations that could provide part of the services to gather information of what is possible in the market currently and to share our vision of how laboratory will work.

Information assimilated from the event will help inform the procurement strategy, should we proceed to tender.

Interested suppliers should note that this exercise is a market engagement exercise only. Any future competitions or opportunities will not be directly linked to this notice. Interested

suppliers should be clear that interest in this engagement is a fundamental step towards the creation of the strategy to deliver an enhanced service.

This window is presented for interested suppliers to register their interest via email to the National commercial and Procurement Hub: commercial.procurementhub@nhs.net

The deadline for registering interest is 14th November 2022 at 12pm midday.

The event will be held via MS teams on 15th November 2022 date with the time to be confirmed via the invite.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 33190000 - Miscellaneous medical devices and products

Description of the vision, a draft specification and additional documents to be released to all of the suppliers who register an interest to the event.

II.3) Estimated date of publication of contract notice

31 March 2023

Section VI. Complementary information

VI.3) Additional information

This notice is an information gathering exercise only rather than a call for competition in its own right, and therefore publication or response does not commit the Authority or respondents to a future procurement, nor provide any process exemptions or preferential treatment to any parties expressing an interest. The Authority will not be liable for costs incurred by any interested party in participating in this exercise.

Any future tendering process will be conducted in accordance with the requirements and flexibilities provided by Articles 74 to 76 of the Directive, and Regulations 74 to 76 of the Regulations. The Authority will run a transparent tender process, treating all Bidders equally. For the avoidance of doubt, the Authority will not be bound by the Regulations or any other regulations or legislation except for the specific parts or circumstances that apply to the procurement of these Services.

Neither the inclusion of a Bidder selection stage, nor the use of any language or terms found in the Directive or Regulations, nor the description of the procedure voluntarily adopted by the Authority ("Open", "Restricted", "Competitive Procedure with Negotiation", "Competitive Dialogue" or any other description), nor any other indication, shall be taken to mean that the Authority intends to hold itself bound by the Directive or Regulations, save by the provisions applicable to services coming within the scope of Annex XIV of the Directive / Schedule 3 of the Regulations.
