II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Supplier selected for award due to technical compliance requirement of National Grid's distribution network. See National Grid Engineering Specifications EE122 and SD1C. To obtain goods from a supplier other than the supplier selected would mean National Grid would not accept the equipment and therefore not supply power to the site.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

Contract No

D9903

Title

Avonmouth WRC Power Supply Upgrade - New Switchgear

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

24 October 2023

Section VI. Complementary information

VI.3) Additional information

This supplier must be used for National Grid equipment including how this must be adhered to by electrical networks on their distribution

VI.4) Procedures for review

VI.4.1) Review body
