Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

A crucial aspect of procuring licenses and software, besides compatibility with STFC current designs, is backwards compatibility with past projects and intellectual property. If UKRI were to lose this backwards compatibility, significant additional effort and risk would have to be introduced in future projects to re-implement the designs.
