- 45442120 - Painting and protective-coating work of structures
- 44212310 - Scaffolding
- 90650000 - Asbestos removal services

### **II.2.3) Place of performance**

NUTS codes

- UKH1 - East Anglia

Main site or place of performance

Services will be performed across the whole Magnox Ltd estate and Include Dounreay and transferring EDF AGR sites (Hunterston B and Hinkley Point B)

### **II.2.4) Description of the procurement**

Access & Insulation Services provide key support activities to the effective management and maintenance of the Magnox Ltd assets and in support of project delivery.

Access services include the Provision of all access requirements to enable Magnox Ltd site

and programme staff and Suppliers to gain access to various locations at each of their facilities for the purposes of modification, maintenance and inspection works on items of plant, equipment and buildings.

Insulation Services include the removal of any asbestos containing materials including thermal insulation (the methods employed will be varied and will include traditional methods and complete asbestos coated component removal, re-application of insulation as required and removal of wastes (hazardous and non-hazardous).

Additional service will also be required in the provision of industrial support services to include but not limited to: crane & equipment hire, industrial coating and painting, building cladding and minor civil works.

It is anticipated that the contract will be placed as a 4 year Framework with the services being split into 2 separate lots based on geographical split of Magnox Sites based on a Northern-Eastern Lot and A South-Southwest Lot.

#### **II.2.14) Additional information**

During the execution of this proposed contract Magnox will take on responsibility for decommissioning Dounreay Site, where their current contract for similar services completes in 2026. In addition to this decommissioning of EDF AGR sites including Hunterston B and Hinkley Point B will become the responsibility of Magnox Ltd, these sites are programmed to transfer in Aug 2026 and Feb 2027 respectively.

#### **II.3) Estimated date of publication of contract notice**

26 October 2023

---
