II.2.4) Description of the procurement

North Lanarkshire Council wish to appoint a competent contractor for the provision of planned Rewiring of Communal Areas in Low-rise properties to both Council and privately owned properties throughout the geographical area of North Lanarkshire Council.

The Council has a commitment to rewire and upgrade the communal area electrical installations of its low-rise housing stock, renewing lighting within these blocks and attaining and maintaining compliance with current IEE regulations and other relevant safety standards. This is due to the increased cost of repairs, obsolete parts and often to ensure safety for operatives having to work on aging systems. There will be a requirement for the Contractor to engage with private owners, via the Council's Contract Administrator. The contractor will be required to provide back up data, design and cost for these works on a block-by-block basis as appropriate.

The works shall comprise the design, installation, inspection, testing and commissioning of all electrical works, which include, but is not limited to, new lighting, small power accessories, distribution boards, lighting controls, trunking, conduit and cabling.

The Works may comprise a selection or all of the installations below depending on survey findings:

- Design based on survey findings
- Building warrant submission and process to approval

- Drawings
- Provision of Reports and Contractors Proposals
- Provision of detailed costs as required
- Downtakings/making safe and temporary lighting
- Containment strip out and installation as required
- Lighting rewire;
- Power rewire
- Interface with ancillary installations eg Controlled Entry, Call video system, Photo Voltaic installation etc
- New Main AFDD board and connection to tails and liaison with Scottish Power
- Asbestos works
- Painter work
- Marking position and builderswork as required
- Testing and Certification
- Provision of as completed drawings and any asbestos certification
- Any ancillary Works
- The Contact Period will be for 24 months with 3 optional extensions of 12 months each as defined in the Contract Particulars
- Training as required to aspects and function of the installation
- Completion certification and a 12 month Guarantee upon completion including 24/7 hour cover throughout the defects period.

An Asset List outlining a List of properties is currently under review and the relevant list will be issued with each Order as noted within the Tender Document; however, the Contractor is reminded that works will be carried out at any location within North Lanarkshire Council and any list issued is not exhaustive of all properties. The Employer may alter or amend this list during the course of the Contract.

Please refer to the ITT documents for the full scope of works.

VI.3) Additional information

Bidders must ensure that they submit appropriate SPDS completed by other members of the group (if they are bidding as part of a group), others whose capacity they rely on, and known sub-contractors on whose capacity they do not rely on, to satisfy any aspect of the SPDS.

Bidders unable to complete SPDS Part IV: Concluding Statements may be excluded from the competition.

The complete ITT, with no pages omitted, must be submitted in accordance with instructions given, and be signed by an authorised representative. Bidders should note that all documents listed in ITT Section 12 "Checklist of Required Documents" must be fully completed and submitted to ensure the submission is considered complete. Failure to do so may result in the submission being deemed non-compliant.

All Bidders' responses will first have their Single Procurement Document (SPD) response checked for compliance, including completeness and accuracy. Failure to meet any of the mandatory requirements indicated will result in the Tender being considered non-compliant and the bidder concerned will be excluded.

Quality Questions - Minimum Score – If the average final score for any quality question response is below the minimum score requirement set for that question, then the submission response will be deemed non-compliant. For the avoidance of doubt, if any quality question is unanswered this will result in the bid being deemed non-compliant.

Should a bidder achieve a score of zero in any element of the technical or commercial assessment, the Council reserves the right to deem their bid non-compliant. Such non-compliant bids will be removed from the evaluation process without further consideration.
