This includes facilitating breaks for children and young people, with caring responsibilities, from the caring tasks, including offering opportunities for them to partake in activities outside their homes, and by the provision of a weekly activity based group. It also includes a family link worker service, to assess young carers and their families, attend Team Around the Child (TAC) meetings as appropriate, and liaise with outside agencies to ensure that the cared-for young person receives an appropriate package of support. A school support service for primary and secondary schools and colleges raises awareness across all schools/colleges in Stockport to ensure that young carers are identified at the earliest opportunity, through, for example, assemblies and staff training sessions.
