#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Key Work Items

The following are the principal elements of the works which the Client intends to deliver:

- T-shape rock revetment with typical core, underlayer and armour layers
- Beach nourishment with shingle from land-based source
- Localised raising of existing eastern groyne with rock armour
- Repairs to existing seawall
- DDA compliant beach access
- Raising and re-surfacing of sections of the existing promenade
- Pedestrian and cycle crossing on Glan-Y-Mor Rd
- Removal and re-surfacing of existing car parking and promenade modifications to create new car parking at the eastern end
- Soft landscaping including planters at the existing garden at the western end and wildflower planting on existing road side green verges
- Street furniture and beach shower

-Removal and replacement of handrails and provision of new handrails along new shared space at the upper promenade

The proposed works can be found in the additional documents on sell2wales accompanying the PQQ documentation. This provides an indication of the type and scale of works being proposed, with details and specifications subject to changes at the discretion of the Client when the Tender is issued.
