Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Cycle Hanger Framework

Reference number

DN696441

II.1.2) Main CPV code

- 34000000 - Transport equipment and auxiliary products to transportation

II.1.3) Type of contract

Supplies

II.1.4) Short description

The West of England Combined Authority wishes to establish a Framework Contract to provide a compliant and efficient way to procure a range of suppliers of cycle hangars for installation in 3 Unitary Authority areas Bath North East Somerset, Bristol City council and South Gloucestershire county council. The Framework Contract will allow the Authorities to call-off the supply, installation, and maintenance of cycles hangars from the appointed suppliers as and when required, while allowing value for money to be better achieved by consolidating the requirements of the Authorities into, where practical, a standardised design and undertaking one procurement process and resulting framework contract.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The West of England Combined Authority wishes to establish a Framework Contract to provide a compliant and efficient way to procure a range of suppliers of cycle hangars for installation in 3 Unitary Authority areas Bath North East Somerset, Bristol City council and South Gloucestershire county council.

The Framework Contract will allow the Authorities to call-off the supply, installation, and maintenance of cycles hangars from the appointed suppliers as and when required, while allowing value for money to be better achieved by consolidating the requirements of the Authorities into, where practical, a standardised design and undertaking one procurement process and resulting framework contract.

An integral part of this Delivery Model is the proposed appointment of a prominent cycle hangar suppliers to a framework that meets the requirements of all Authorities while also trying where possible standardise the product specification and achieve savings through aggregating the requirement and associated spend.

Our intention is to award one Lot, with supplier(s) under the Framework for the supply, installation, and maintenance of cycle hangers

The ultimate goal is to procure a minimum of 80 Hangars from January 24 onwards with framework being designed to allow the further purchase of more hangars in the future for the 3 UA bodies.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants
