VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Modification to an existing system procured under the HealthTrust Europe framework agreement, ICT Solutions 2019 (ComIT 2 - Complete IT). The modification will provide increased functionality and integration with the service's IT infrastructure. Including provision of mobile app to facilitate staff rostering and availability management.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

This contract is being modified in accordance with Regulation 72.1.b. of the Public Contracts Regulations 2015. The contracting authority is relying on Regulation 72.1. b. due to economic and technical reasons connected with the exclusive rights and that a change of contractor would cause significant inconvenience or substantial duplication of costs for the contracting authority. The increase in price will not exceed 50 percent of the original contract award value

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £121,509

Total contract value after the modifications

Value excluding VAT: £621,509
