II.1.4) Short description

A framework for whole charter passenger and freight partnering and rapid response - Commercial aircraft charter services constitutes the hire of passenger or freighter aircraft with crew for defined missions in support of Defence activity. The Authority has a requirement for whole aircraft charter for the transportation of cargo and personnel worldwide. The Authority requires the ability to access the commercial market for these services in times of operational surge or when circumstances dictate. Suppliers are required to provide flexible access to the commercial whole aircraft charter market in a dynamic and fast-moving military environment.
