General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SHADOW TRAINING PROVIDER OF THE HEAT NETWORK TECHNICAL ASSURANCE SCHEME (HNTAS)

II.1.2) Main CPV code

- 80531200 - Technical training services

II.1.3) Type of contract

Services

II.1.4) Short description

DO NOT apply directly to the buyer.

All tender information MUST be submitted through the Jaggaer eSourcing Portal.

The Department for Energy Security and Net Zero (DESNZ) wishes to establish a Contract for services to develop, accredit and deliver a suite of training courses underpinning the Heat Network Technical Assurance Scheme (HNTAS).

Upcoming regulation is due to mandate certain technical requirements for heat networks, under HNTAS. These requirements will span across several elements of a network (i.e. energy centre, district distribution network, communal distribution network, thermal substation, and consumer connection), and will also apply temporally across a range of stages within a network's lifecycle (i.e. feasibility, design, commissioning and operation and maintenance). The introduction of these requirements will apply to both new build and existing networks, and introduce the need for the vast majority of existing networks to undertake works to meet performance and reliability thresholds. As such, we know that there will be increased demand for existing heat network skills, as well as an emergent demand for new roles that will be introduced by regulation. Most of the new roles (e.g. HNTAS assessors, HNTAS coordinators, etc) will result from the new regulatory obligations to track the compliance of networks with technical standards through HNTAS.

We are looking for a supplier, or consortium of suppliers with experience of accrediting and delivering heat network training. This will involve developing and accrediting approximately 10 HNTAS training courses by the end of March 2025, and delivering them into Autumn 2025.

DESNZ will be using the Jaggaer eSourcing Portal for this procurement.

To register on the Jaggaer eSourcing portal please use the link

<https://beisgroup.ukp.app.jaggaer.com/>

and follow the instructions to register as a supplier.

If you are already registered on the Jaggaer eSourcing Portal and wish to participate in this procurement,

please use the link: <https://beisgroup.ukp.app.jaggaer.com/>.

Once you are logged into the system you will be able to locate the Procurement you wish to leave a bid on

by clicking the ITTs Open to All Suppliers and searching for the reference number itt_1750.

II.1.5) Estimated total value

Value excluding VAT: £183,334

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71356000 - Technical services
- 80500000 - Training services
- 80531000 - Industrial and technical training services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Department for Energy Security and Net Zero (DESNZ) wishes to establish a Contract for services to develop, accredit and deliver a suite of training courses

underpinning the Heat Network Technical Assurance Scheme (HNTAS).

Upcoming regulation is due to mandate certain technical requirements for heat networks, under HNTAS. These requirements will span across several elements of a network (i.e. energy centre, district distribution network, communal distribution network, thermal substation, and consumer connection), and will also apply temporally across a range of stages within a network's lifecycle (i.e. feasibility, design, commissioning and operation and maintenance). The introduction of these requirements will apply to both new build and existing networks, and introduce the need for the vast majority of existing networks to undertake works to meet performance and reliability thresholds. As such, we know that there will be increased demand for existing heat network skills, as well as an emergent demand for new roles that will be introduced by regulation. Most of the new roles (e.g. HNTAS assessors, HNTAS coordinators, etc) will result from the new regulatory obligations to track the compliance of networks with technical standards through HNTAS.

We are looking for a supplier, or consortium of suppliers with experience of accrediting and delivering heat network training. This will involve developing and accrediting approximately 10 HNTAS training courses by the end of March 2025, and delivering them into Autumn 2025.

Duration

The Contract duration shall be for a period of 11 months with optional extension of up to 6 months.

Timeline (all dates are indicative only and subject to review) - please see the provided documentation on Jaggaer.

For any questions, please email Katsiaryna.Addiego2@energysecurity.gov.uk.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £183,334

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

This contract is subject to renewal

Yes

Description of renewals

Option to extend for a further 6 months

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Date

4 November 2024

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 4 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

4 November 2024

Local time

5:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

DO NOT APPLY DIRECTLY TO BUYER

All submissions will be assessed in accordance with the Public Procurement Regulations that apply to this

opportunity.

Responses must be received by the date and time in the tender documentation; responses received

outside of the deadline or not sent via the Jaggaer eSourcing portal will not be accepted or considered by

the Contracting Authority further for this opportunity, unless a system outage is experienced, to which the

Contracting Authority will advise upon accordingly. Interested organisations should ensure that they allow

a sufficiency of time, prior to the deadline to allow all sections to be completed in full and any

attachments to be uploaded.

As a user of the Jaggaer eSourcing Portal you will have access to the Jaggaer messaging service which

facilitates all messages sent to you and from you, as well as other messages and updates in relation to any

specific tender event. Please note that any and all information secured outside of the messaging service,

shall have no Legal Standing, merit or worth and should not be relied upon by any organisation submitting

a tender response.

Please note it is your organisations responsibility to access these messages on a regular basis to ensure

you have sight of all relevant information applicable to this opportunity.

The Contracting Authority expressly reserves the right:

i. not to award any contract as a result of the procurement process commenced by publication of this

notice; and

ii. to make whatever changes it may see fit to the content and structure of the procurement; and under no

circumstances as part of your organisations participation in this opportunity, will the Contracting

Authority be liable for any costs incurred by any organisation as a result. If the Contracting Authority

decides to enter into a contract with any successful organisation(s), this does not mean that there is any

guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to

contract award is accordingly a matter solely for the commercial judgement of your organisation in doing

so.

The Department for Energy Security and Net Zero uses the Jaggaer eSourcing Portal as its eSourcing tool.

Jaggaer will be used for this competition. To register as a supplier, please visit

<https://beisgroup.ukp.app.jaggaer.com/> and follow the instructions to register as a supplier.

Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for

the organisation which you are registering, who will be entering into a contract if invited to do so.
