## Scope

## Reference

WCC - 22715

## Description

The successful supplier will undertake a programme of structurally testing and inspecting the Council's Street Lighting Columns from a programme provided by the Council each year. The successful supplier must structurally test the columns using the "Loss of Section" method and either certify the columns as being structurally safe for a further stated period of time, or recommend that the column is removed immediately or when practicable. The testing method must not require removal of the column door.

Warwickshire County Council is acting as the lead authority for a collaborative tendering process on behalf of the Council's listed below. A successful tender exercise will result in

separate Contracts being entered into by each participating Council. The areas in the scope of this Procurement are as follows:

- Warwickshire County Council (WCC)
- Dudley Metropolitan Borough Council (DMBC)
- Sandwell Metropolitan Borough Council (SMBC)

The administration of each of the above Contracts, including payment to the successful supplier for Services carried out in accordance with the applicable Contract, will be carried out independently by, and will be the responsibility of, the applicable Council procuring the Services in question. To clarify, this Procurement is for a single Contractor to deliver Street Lighting Column Testing across all 3 areas listed above.

### **Total value (estimated)**
